Welcome to the Mayberry Café

Since 1992, Danville, Indiana has been
home to the Mayberry Café.

The café is our tribute to the show, its heart-warming
food and people it portrayed.

We chose the Mayberry theme because it is
absolutely our all time favorite show.

Always wanting to live in a place like Mayberry,
we have found the people in Danville to be as
decent and loyal as you would find in Mayberry.

We are a small family run café and pay careful
attention to details with regard to food and our
handpicked staff that truly cares.

Just like Aunt Bee would expect!

We hope you enjoy your meal and make some
new friends while you are here.
